

## Indiana University Natatorium & Physical Education Building Indianapolis, Indiana

The 220,000 square foot Indiana University Natatorium and Physical Education Building houses two facilities under one roof; a 6,000 seat natatorium with three pools and a physical education building with basketball gymnasium, two handball courts, library and faculty offices.

The three pools are state-of-the-art. The 50M competition pool has two moveable bulkheads, the 50M instructional pool has a moveable bulkhead and a 51-foot square variable depth floor, and the diving pool is equipped with two 1M and 3M springboards and a 1, 3, 5, 7 ½, and 10M platform.
