

Hanover College Sports & Recreation Center Hanover, Indiana

The 106,000 square foot facility houses a performance gym, a multi-purpose sports forum, administrative offices, classrooms, racquetball courts and general activity spaces. It was designed to accommodate a future natatorium and indoor 200 meter running track. The performance gym seats approximately 3000 spectators and the multi-purpose sports forum houses 3 basketball courts and an elevated running track.
